

Artists: Sell Your Original Artworks Online

EASEL ART SPACE will represent artists who are at all stages of their careers. We currently represent Artists who live in Australia, have lived in Australia and Australian-born artists who are residing overseas. All Artists who fulfill the criteria are welcome to apply to be represented by us.

We are a selective gallery who markets extensively both locally and internationally.

There is no charge to exhibit on the EASEL ART SPACE website.

It is cost free to an artist who presents a quality portfolio containing:

- artist statement,
- CV,
- high resolution images
- short statement about each image presented
- 1 minute 30 seconds to 2 minute video of the artist at work.

If an artist presents high quality, finished work but does not have a matching high-quality portfolio we will charge a fee of \$100 to support the artist in developing a quality portfolio.

When an artist has both high-quality artworks and portfolio they will be able to exhibit with Easel Art Space online.

We organise all aspects of marketing, promoting, sales and delivery both locally and internationally.

EASEL ART SPACE takes a commission on sales. The Artist, in consultation with our experienced art advisor, both determine the selling price that will include 10% goods & service tax.

Our Commission is 35% after 10% gst is applied.

We do not discount artworks. From time to time we may conduct Auctions in which Artists will be invited to participate.
